# Long-Distance Marriage

Original Text by Sharon Kendrick

Keiko Kishimoto

Cameron  
Calder...a man  
whose mysterious  
eyes resonate  
beauty...

I still can't  
believe he  
chose me .

I have to keep  
acting the part if I  
want him to love  
me...

# Long-Distance Marriage

I must never  
be a clinging  
clingy wife

to always be  
an exciting  
woman

**Keiko Kishimoto**

Original Title by Shizuko Kishimoto

What  
did you  
mean?

But what  
is most  
striking

A presence  
that only  
someone  
with talent  
and power  
possesses.

An  
exceptionally  
striking  
face

Nothing  
like

As his cool  
and focused  
eyes find no  
distance  
between him  
and others

I only know one  
other person who  
has such eyes

It seems like  
self-contained  
man.

Common  
Corder?

This is  
him?

He uses his charm without even realizing it.

I wonder how many women he gets under his spell...

What's the strange feeling?

An older person close to him says that the death of his mother gave a shadow on his personality

He is dated super-models and so famous

but remains single because of this

He mother was older than him 7 and he was never loving her

Contents Carter was the only son of the infamous Carter family

The subject was made up of various and interesting

He father died when he was 20 and he got Oxford University to take over the business family business

The man didn't see him

I was busy but I want to go to study

Really

See you soon

Also make

What was

Fast?

It's like a steam you work part

From the  
moment I met  
you, you  
became my  
everything.

But he would  
never let us  
love with a  
woman  
who read  
something like  
that.

Like  
the way you  
presented...

...and  
the story  
ended.

How much  
does this  
man get  
away with  
in the  
world?

How'd his  
impression  
me?

Like

My  
mother

#1  
married a  
man like  
this

He was smart,  
and constantly  
raised  
challenges in  
his life

#1 lived  
into his  
thirties

#1  
became  
part of  
his daily  
routine

What? Are  
you  
talking  
to me?

Wow  
wow

The 3  
months  
after that  
could have  
come  
straight  
out of the  
movies

I can't believe  
I was  
seduced by  
the  
wonderful yet  
dangerous  
man

He collapses  
instantly in  
me...

Like...

My  
mother

If I  
married a  
man like  
this...

It'd blow  
into his  
face...

If I  
became  
part of  
his daily  
routine...

He was smart,  
and constantly  
issued  
challenges in  
his life.

Really? Are  
you  
fascinated  
by me?

Ah...  
and?

The 2  
months  
after that,  
they had  
come  
straight  
out of the  
movie.

I can't believe  
I was  
seduced by  
the  
wonderful yet  
arrogant  
man...

The dress  
is his  
reward

How your  
charismatic  
brother can

Henry's  
for

He'll add  
new cards

It was  
Cameron's  
brother—  
black  
pill—so I  
couldn't  
trust.

The same  
dark  
man—  
married  
it and  
last  
week for

It's  
Shore

Do you  
know  
much  
they  
can?

Everyone  
is  
dread!

There's a  
boutique for  
celebration  
near the office

Any more  
they will  
replace the  
company

I need to go  
home and  
get changed

It's all  
right. It's  
for an  
important  
show.

There are  
other from  
your house

I don't like  
dirt, so as  
long as I  
look clean,  
I'm happy

I don't like  
leaving after  
seeing my  
poor parents  
and money  
responsibly

While they  
wait month  
parties. I  
will  
waiting  
clothes from  
cheap shops

Celebrates  
go there,  
right?

I am  
laughing

I don't want  
like the  
money  
Cameron  
offers me for  
clothes.

But I didn't plan to give up my job for my marriage.

And I didn't believe in marriage after watching my parents.

I didn't need to pretend that —

We have a long-distance relationship because of our jobs.

We haven't got a house

We had a simple marriage at the registry office.

together. We have separate flats in London.

We're cool.

But inquisitive eyes.

When I told Cameron I didn't intend to quit his team,

he didn't protest.

His eyes always looked inquisitive.

You must have a hard conversation.

Do you ever discuss the idea to the other?

I'm sorry about my dad.

We should.

I never told anything like this to my dad again.

What an ass!

I married 6 months ago but I still see my mother-in-law. It's hell.

Call me this.

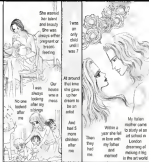

People in the industry know me by my mother-in-law.

Unless the film-based algorithm.

My daughter lives in Canada and that's the movie over there.

Because me.

The  
never  
spoke  
with  
him  
to  
New  
York

That  
night, a  
month  
after we  
left.

And  
I  
knew  
how  
right  
was  
Ming

I'd need to know a  
man who is  
talented, funny  
and sexy

Interested  
in me for  
the rest of  
my life.

Interested  
about his  
proposal

Not

Marrying  
is not  
the best  
choice

That  
could be  
impossible

If you don't,  
then I  
guess we should  
make things  
official.

Do you not  
know that I  
love you?

Sorry not  
Married.

I know  
everything  
about you...

I know...

Oh,  
Gee-  
zus...

It's  
impossible!

How did  
you know  
my name?

If they ever  
get to know a  
guy from  
here, most  
guys would  
probably pass  
out.

For a long  
time,  
many women  
that I can  
be many  
Carnegie  
Center.

It like from  
the whole  
corner to  
me...

You will  
marry me!

Yes...

The only  
woman who  
would keep  
him interested  
is someone  
who  
could slip  
away like a  
butterfly.

I need to sit  
like the  
butterfly.

For just  
the look  
of money's  
framed  
corner than  
I expected!

Why don't you  
listen to the  
interesting  
machines?

Amazing  
machines!

Thinking  
to the  
world  
that?

Missing  
my time

The  
the  
looking  
to the  
machines  
that?

He is actually  
not dead...

I guess  
the future  
wanted you  
to wear that.

That?

The more  
wonderful  
thought.

I just  
wanted to  
make sure  
you got  
better  
right.

Being

Harriet  
have done it  
on a job

Does

Why would  
he leave a  
message on  
Carmen's  
phone?

Your  
friend?

You don't  
usually  
spend time  
like this.

Why?

You  
don't  
usually  
spend  
time  
like this.

My  
company  
bought  
the  
first one.

that says  
their employees  
deserve that  
are interested  
enough  
to watch the  
reactions  
of men.

What  
a  
great  
time  
you  
have

Don't look  
at me that way

From  
Cassidy?

Please  
don't.

Go on a  
trip with  
another  
woman  
looking  
so  
happy.

Please  
you don't  
understand.

I'll  
cancel  
the  
wedding  
you  
—

There's a  
company  
party this  
weekend in  
Manchester. I'd  
like you to be  
there.

Right  
now.

There's  
probably  
not much  
point in being  
married if  
we live  
like this.

You  
don't  
look  
well.

I don't  
want to  
cancel the  
wedding  
trip.

I'll  
take a  
short  
trip.

Yes,  
yes.

I've made some calls, so I think I should have everything covered.

Should we?

What?

If you take some of your time to going to those people, it takes you some time!

You're taking time off?

There's something wrong with me...

But I'm throwing my work to one side to spend the weekend with my husband!

I'm meant to be a workaholic.

The more time I spend with him, the harder it's to get good and rested.

I feel so guilty.

I want to be with you all the time, Cameron!

But I could never say that to him. I

Little does she know...  
Cameron's a workaholic.

What we need all we do is hope.

She's

How did we end up like this?

Forget to  
take my  
pill this  
morning

Shane  
J

What, I  
forgot?

I forgot  
my pill

Oh  
come  
on

Do you  
take it  
every day?

How  
tough  
were you?

How  
were  
a  
good  
man?

I  
don't  
know  
you

I  
remember  
how  
strong  
you  
were  
when  
I  
knew  
you

What  
do  
you  
mean  
you  
knew  
me  
before?

I  
wanted  
to  
be  
with  
you  
for  
all  
the  
time

They're acting  
on the  
general  
instincts

So don't  
ever  
have a  
child!

I want to  
give my  
life  
entirely  
to you.

I want to  
do this.  
Do you  
understand?

Can  
you?

Can  
you?

I can't  
do this!

And the  
game  
was over!  
The  
game  
was over!

And the  
game  
was over!

You married me because I didn't fit into your life so conveniently.

So why are you staying all the time?

Flying's their job.

They're always together.

Garrett

The Flying is New York tonight. I don't have time to go to London.

I won't be seeing you for a while!

I would  
like to see  
you some-  
time

Here

Don't look  
so happy  
too

She looks  
beautiful  
and  
fit while

Your father  
and I have  
shared pretty  
stays on the  
countryside

And she  
turned out  
to be quite  
well

The kind  
company  
has asked  
us to hold  
an exhibition  
of our  
work!

We're off  
along your  
new drive

No  
doubt  
that you  
are  
just

Oh, it's  
been  
long

My family  
bought a  
house in  
Tosca and  
have  
been spending  
their time in  
the countryside

and have  
been spending  
their time in  
the countryside

Why can't  
I stop  
crying...?

The child  
they told  
me... know  
the father...

How can I  
make it up  
to this  
world...

Someone  
hasn't  
called me  
in  
years...

He'll never  
look at me  
with those  
eyes  
again...

Happy  
over city...

He is too  
good to  
turn up  
at meetings.  
One day  
I'll hear  
from his  
larger voice...

About the  
dreams.

Chapter  
10

What's  
different with  
my mom and me  
is that the  
person I love  
and with me  
apart...

I'll bring  
the child  
up  
alone...

The child  
at home...

My mom must  
have felt the  
way when she  
was pregnant  
with me...

Even now when  
I think about it,  
I feel as happy I  
can hardly  
breathe...

The one who's changed...

How if you can change the world, making things...

Even an ordinary person like me...

Have the kind of man who would try to keep you safe by making you pregnant...

What... What are you talking about...

I wonder happens when you meet me...

The more time I spend with you, the harder it seems for me to keep my cool...

Even though I know you'll separate in a certain like that...

I couldn't stand even thinking about you and Sakuma going around the world together...

I wanted to be with you all the time...

Thank you all so much!

I want to be with you as much as I can...

I don't want to ever leave you!

You are also important to me...

I never felt this way toward another woman before...

Comme...!

Let's start by having a proper wedding ceremony.

Will you start over with me?

We can have lots of children.

If that's what you want.

For the love of your life.

If that's what you want.

Whatever you do, I will always love you.

Let's start building a new relationship together.

I was going to sell all of my real estate in New York.

I wasn't talking about getting you pregnant.

For about a minute, so I mean no, get you.

I wanted to stop traveling all over the world and make more time for you.

From my heart...

Thank you, forever.

I don't have to pretend anymore

We're finally closer than ever

I feel so close to you right now

I love

Our real selves

Long-Distance Marriage: The End
